SUBJECT: EXECUTION OF THE MILITARY STRATEGIC PARTNERSHIP
CONFERENCE (MSPC) 2019

B. Bi-Strategic Command Directive 087-002, dated 27 Aug 2013

1. I hereby announce the execution of the 2019 Military Strategic Partnership Conference (MSPC 19), which will be held on 25-29 March 2019, at the Dead Sea Area in Jordan. The official invitation with administrative instructions will be sent out in the next days and will be published on the MSPC 2019 website.

2. My direction for the conference is to thoroughly exploit NATO Partnership processes (Seat Allocation Process / Recommended List of Activities / Partnership Cooperation Menu) and to execute a sequential and progressive planning of effort that will provide an 80% solution to 2020 Partner Capital ambitions for Education, Training, Exercise and Evaluation (ETEE). Furthermore, I expect to exchange information between NATO and Partners on new developments in Cooperative Security and to discuss partnerships programmes for future years.

3. I am looking forward to meeting and engaging with all partner representatives and other stakeholders attending this important annual event. For any further questions, please contact our dedicated team at torsten.stauffer@shape.nato.int or at lindseyanne.bauer@shape.nato.int.
